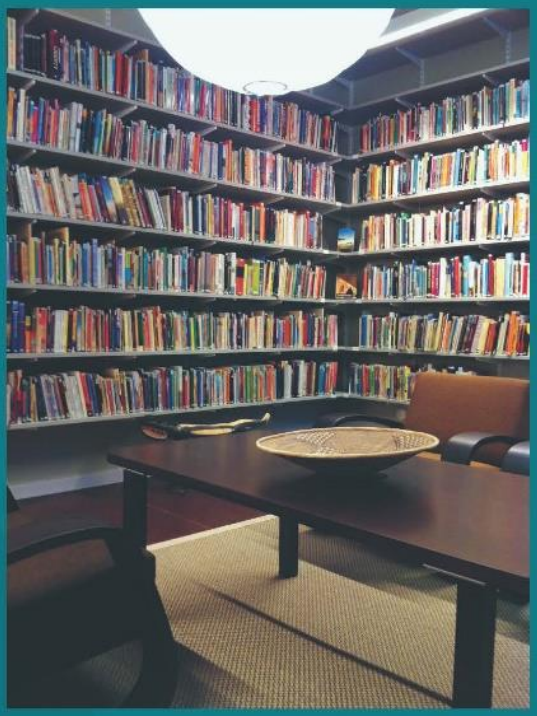
About the institute

The Nordic Africa Institute (NAI) conducts independent, policyrelevant research, provides analysis and informs decisionmaking, with the aim of advancing research-based knowledge of contemporary Africa. The institute is jointly financed by the governments of Finland, Iceland and Sweden.



About the library

The NAI Library is a gateway to printed publications, other media and e-resources, both licensed and openly accessible. Through our website you can explore and read our vast resources or navigate through our country web pages.

In addition to e-resources, the library holds:

- More than 80,000 books and 400 journals
- Official documents, statistics and censuses
- African literature, film and music
- Maps and pamphlets

In the Nordic countries: Books can be ordered via your local library. Students and researchers at Nordic higher education institutions can also register for access to licensed databases.

Open to the public Monday to Thursday
